Dear Councilmember Bowser,

Friends of McMillan Park respectfully requests a meeting with you at your office in the Wilson Building as soon as possible to discuss the following matters of business related to McMillan Park Reservoir Historic District:

1. the proposed surplus and disposition of McMillan Park,
2. the unusual relationship between DMPED and Vision McMillan Partners,
3. the need for an international design competition for the adaptive reuse of McMillan Park.

We should avoid rushing to judgment on McMillan Park, a national landmark Olmsted park and one of the last remaining large tracts of finite public land in the District of Columbia.

Thank you for your attention to our request.

Sincerely,

Hugh Youngblood
