I have a slight edit. See attached. I wanted to specify which plan we're talking about.

I will double check with Anne on the address-- I assume the Commission will ask to whom specifically this letter of support will go. I would like for it to be addressed to the Mayor's Agent, and for them to agree it can go to the MA and the Zoning Commission.

Yes, Tania, the letter looks great.

I have already placed it on the letterhead and plan to request a vote on it. Being calling some commissioners to let them know that I really need their support. My problem will probably be with BCA but this will be discussed on tomorrow evening. It's not like everyone has not been informed.

I noticed that there was not an addresses. Is it required?

Hi Tania,

Diane the letter looks good to me. 5A's meeting is next Wednesday. Can't remember when yours is but if 5E adopts a similar letter please let me know so that I can put it on our November 20 Agenda. Thanks

Hi Dianne & Ronnie,

Here is the draft support letter. You to know better than I what, if any changes should be added to make the commissioners comfortable with this letter.

I think that it's important for there to be qualifiers... I also know that we haven't yet negotiated the Community Benefits Agreement, but I'm wondering if it's okay to include some of the ideas we have about what should be included, or if you think it's okay to just say that you won't support without a duly negotiated one.

If the latter is the case, then we can immediately begin to work on the final version of a CBA so that we can have one ready to go with ZC.

Please let me know your thoughts on this draft.

Thanks,

Tania
